

19 January 2025 - Number 8

FINAL CHANCE 20 JAN

Evendons Area Residents Association

Even if you've previously contacted the council, it's crucial to make your voice heard to the Planning Inspector directly.

Dear Residents,

We need your help to stop the unwanted development in our community on ancient woodland. Even if you've previously contacted the council, it's crucial to make your voice heard to the Planning Inspector directly.

The deadline for objections has been extended to tomorrow, 20th January 2025. This is your FINAL OPPORTUNITY to object to this damaging proposal.

To submit your objection:

Visit the Planning Inspectorate website

<https://acp.planninginspectorate.gov.uk/ViewCase.aspx?caseid=3354667>

Click on "Make Representation"

Remember to focus on these key areas:

- Preserving the Barkham Settlement Gap
- Protecting the Natural Environment
- Maintaining Rural Character
- Ensuring Road Safety

Your input is vital. Let's stand together to protect our community's future!

Thank you to everyone who has already contributed. If you haven't yet, please consider donating to support our cause.

JustGiving.com/SaveBlagrove

Act now - Monday January 20th is approaching fast!

Every contribution, no matter how small, will make a significant difference in our fight to preserve our countryside.

Final Chance to appeal - Monday 20 Jan Deadline!

Why Your Support Matters

Remember, this development threatens to:

- Destroy green fields and the rural character of our area
- Cut through ancient woodland, home to protected wildlife
- Strain our already overloaded local services
- Increase traffic and pose safety risks, especially near Evendons School

Your continued support is vital in protecting our community's future. Together, we can preserve our countryside for generations to come.

Wishing you and your loved ones a Happy New Year.

Best regards,

All the Committee

Evendons Area Residents Association

About EARA

In 2013, the residents of Evendons Lane and the surrounding area gathered as a Residents Association to try to maintain the local environment and help ensure that any development on land surrounding Leslie Sears and Viking field was appropriate. Several planning applications were successfully blocked.
